and Mules. Personal.

Mrs. Suder and her daughter, Miss Lula, age visiting friends at Ebenezer, in Darlington County. Mr. C. F. Heiser left yesterday for Lynn,

Mass , where he will remain for some time. His family do not accompany him. Miss Sallie Brown, sister of Mrs. H. L. Darr, has returned to her home in Florence.

She is accompanied by Miss Sallie Darr. It affords us sincers pleasure to state that "Guv," Mr. J. M. Reid, is rapidly recovering from his injury received by being thrown from his buggy.

Mr. W. F. Rhame has been chosen as bookkeeper of the Bank of Sumter. He is a man of strict integrity and large business experience, well known as an accurate accountant. Dr. R. M. Lebby and wife, of Charleston, were in the city on Saturday last, on the occasion of the second anniversary of their drughter's marriage to Mr. Bartow Walsh of

Another Letter from Mr. Wilder.

WEST CHESTER, PENN., Feb. 5, 1889.

Mr. Editor: Since my last communication,

have been working, as Johnson said, "doggedly," and soaking my mind with those things which I esteem to be eminently useful to me in my profession. The present week has chronicled a memorable event in my experience. It is, indeed, in the language of the law book, the dies notundi of my life. But before I proceed to relate what observations Rev. W. M. McPinceters, D. D., Professor in and examinations I have made, I wish to adthe Seminary in Columbia, will preach in the vert, briefly, to my last letter, and, in doing so, I trust you will pardon my complaining somewhat. My letter, doubtless was too prolix, and the expunging of surplusage is no grounds of complaint; but you boiled it down to about half, and, in so doing you boiled out some of the main points which I wished particularly to convey. That part of my letter relative to the Mason and Dixon the Camden Junction to Boykins, nine miles | Line which was published is nothing more or below Camden, a distance of 17 miles. The less than what is generally known; but it is got sufficiently well to be removed to his not generally known that upon this large con-The Steam Fire Engine Company. that this telescope was directed to a fixed from rheumatism for several months, and it The annual supper of the company was star in the Northern sky; and that from the was a slight attack of rheumatism of the given last Wednesday evening, February 6th. observations of the star to the horizon at the of any previous entertainment of the kind.
